A. SHODIQUL AMIIN ROSYID
FULLSTACK DEVELOPER

ABOUT ME

I am a dedicated Web Developer with hands-on experience in building dynamic, responsive, and scalable web applications. I am proficient in modern web technologies including JavaScript, Next.js, React, and Node.js, and I also have solid experience using PHP frameworks like CodeIgniter and CMS platforms like SilverStripe. With a strong grasp of both frontend and backend

JOB EXPERIENCE

FULLSTACK WEB DEVELOPER — 2019 -Present
Morning Glory Enterprise (MGE) Solution / Surabaya

Worked full-time as part of a development team building custom web solutions for corporate clients. Responsible for developing and maintaining both frontend and backend components using PHP (Silverstripe), JavaScript, Next.js, and MySQL. Actively involved in system architecture, debugging, and optimizing performance. Collaborated with UI/UX designers and project managers to deliver reliable digital products.

WEB DEVELOPER (FREELANCE) — 2016 – Present
Self-employed / Remote

Worked on various freelance projects including company profiles, landing pages, and admin dashboards using technologies such as CodeIgniter and NextJs. Responsible for frontend and backend development, API integrations, and client consultations. Maintained flexible hours while ensuring project deadlines and client satisfaction.
